

OUR VOLUNTEER PROGRAM

Volunteering is a great way to get involved in the community and meet like-minded people. If you're interested in volunteering at Tucker Patch there are several ways you can do this.

Farmgate Stall

We are always looking for volunteers to help man our Farmgate Stall every Friday, tally goods from our growers, pick produce from our Food Forest and assist with Tucker Boxes and morning teas. It's an enjoyable way to spend a Friday morning, with a friendly atmosphere and beautiful views from the Tucker Patch site at 62 Cemetery Rd.

Tuesday Street Stall

You can also assist by being part of the team at the Tuesday Street Stall, every Tuesday morning outside the Gloucester Bookshop at 76 Church St.

Food Forest

If you enjoy gardening, why not volunteer to help maintain our Food Forest area at Tucker Patch? We are constantly working to develop this area, with a wonderful range of food and other plants grown to permaculture principles. It's a great way to be active and have fun.

Become a Grower

If you grow your own produce on your own property using organic methods and principles, you may like to become one of our growers and bring your produce to sell at our Farmgate Stall, Tuesday Street Stall or the monthly Gloucester Farmers Market.

Market Garden

Limited opportunities are available to become involved in our Market Garden area, where you may be able to take a small plot to grow your own produce for personal use and/or to sell at the Farmgate Stall.

Workshops

If you have horticultural expertise, you may be able to help run our Workshop Program – perhaps learning something new in the process!

Other Events

Tucker Patch also occasionally runs other fund-raising events such as Car Boot Sales, Garage Sales, Open Days etc.
